

## Product Advisory

**Date:** July 1, 2021  
**Product:** Hybrid Fiber-Coaxial (HFC)  
**Reason:** Manufacture Discontinue (MD) Notification

Due to lack of demand, ATX will be discontinuing the products from the company's HFC product lines that are listed in the attachment to this notice.

### Product-Specific Lifecycle Information

We strive to follow the ATX Product Hardware and Software Lifecycle Support Policy (see last page). In this instance, component and supply issues for the products mandate that general Manufacture Discontinue (MD) and End Of Support (EOS) intervals be constrained. As such, the table below includes lifecycle milestones with associated dates specific to the product.

### Product Lifecycle Milestones

Milestone	Definition	Date
Lifecycle Announcement	Date of communication announcing start of MD and the end-of-life process	July 1,2021
Manufacture Discontinue (MD)	Last day on which affected product SKUs in this communication can be ordered, provided that stock already exists	December 31, 2021 *only while stock remains
End-of-Support (EOS)	Last day ATX Care technical support or repair or replacement will be offered	July 1, 2024

### Discontinued Product List

## ATX Product Hardware and Software Lifecycle Support Policy

ATX stands behind the products that we design, manufacture and ship to our customers. Standard warranty terms will apply to all products ordered and shipped during this transition period.

Lifecycle	Software	Hardware
Active	<ul style="list-style-type: none"> <li>• <b>90-Day Factory S/W Warranty</b></li> <li>• S/W Generally Available (GA) for deployment</li> <li>• <b>Minimum 1 Year Active Interval</b></li> <li>• Standard warranty terms apply for 90 days</li> <li>• ATX Care Support Plan required thereafter</li> <li>• Corrective content via maintenance releases</li> </ul>	<ul style="list-style-type: none"> <li>• <b>One (1) Year Factory H/W Warranty</b></li> <li>• Hardware currently manufactured and available for order OR Hardware ordered and provided under the post-MD and EOS terms and conditions</li> <li>• Standard Warranty and ATX Care terms apply</li> </ul>
Inactive (Software) or MD – Manufacturing Discontinued	<ul style="list-style-type: none"> <li>• <b>Minimum 1 Year Inactive Interval</b></li> <li>• Targeted corrective content (Outage, BC) with ATX Care</li> </ul>	<ul style="list-style-type: none"> <li>• Not available for new deployments and expansions</li> <li>• Customer specific exceptions may be made based on MPSA</li> </ul>
Retired (Software) or EOL – End-of-Life (Hardware)	<ul style="list-style-type: none"> <li>• <b>Minimum 3 Year Retired Interval</b></li> <li>• No corrective content available</li> <li>• Emergency recovery only (no RCA) with ATX Care Support Plan</li> <li>• No security patching</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Minimum (3) Year Post MD Support Window</b></li> <li>• ATX no longer supports advancement replacement of H/W as existing stock may have been exhausted but MAY still provide a best-effort repair service</li> </ul>
EOS – End-of-Support	<ul style="list-style-type: none"> <li>• ATX no longer supports the product</li> </ul>	<ul style="list-style-type: none"> <li>• ATX does not support the H/W and support for certain H/W may be removed from S/W releases</li> </ul>

Note that customer and contract-specific terms and conditions may apply that supersede the above policy intervals.

## Global Services & Support

### Contact ATX Networks

Please contact ATX Technical Support for assistance with any ATX products and to obtain a valid RMA number for any ATX products that require service and are in or out of warranty before returning a failed module to the factory.

Toll Free: 866.YOUR.ATX (866.968.7289) USA & Canada only – Select Option 1
