

## Activity Descriptions

### SNUBA

SNUBA (snorkel + Scuba) adds the gift of breathing underwater to the ease of snorkeling – without scuba diving's heavy, technical gear and long training. The beauty of the tropical sea life opens up as you enter a realm once limited to certified divers. After only 15 minutes of instruction, follow a SNUBA expert guide into the wonders of the Sea of Cortez. **What to Bring:** Sunscreen, towels, and swim suit

### HORSEBACK RIDING

Discover spectacular ocean side cliffs, lush desert ranges, private untouched beaches and canyon trails on a Pacific Beach Horseback ride. You will receive an orientation on the proper way to ride a horse and each participant will be assigned a horse adequate to their skill level. **What to bring:** Comfortable clothes and close-toe shoes

### ATV/UTV

Imagine the excitement of pressing your thumb to the throttle, hearing the engine roar and then racing through beautiful areas of Los Cabos to enjoy breathtaking views of majestic beaches and sand dunes on the Pacific Ocean. Whether you are a beginner wanting an easy ride, an expert looking for a challenge, or you classify yourself somewhere in between, Cabo offers a wide variety of great trails, spectacular scenery, and lots of fun! **What to bring:** Comfortable clothes and close-toe shoes. Drivers must also present a valid driver's license

### GOLF

Get in the Cabo swing! Cabo is the type of golf destination that will make you wonder if it's the best you've ever visited. There are several world-class golf courses along the coast of Los Cabos. All have beautiful views of the Sea of Cortez and surrounding mountains.

### SPA

Nestled in one of the natural rock formations found at our Los Cabos spa resort, a subtle interplay of light and shade conspire with the calming cadence of the ocean waves for a transcendent spa experience in Cabo San Lucas. Choose one from the following 60 minute massage types:
